To the Director of the U.S. Mint

Dear Sir.

I wish to know if I can obtain from the Mint Half Dollars 1882. 83. 84. & 85 and Quarter dollars 1879. 81. 82. 83. 84. 85. making $3.50 in all. Please let me know if I can get the above dates and what would be the cost. I have a private collection of Half & Quarter Dollars is why I want them. Will you also inform me if you have any of the back dates on hand; what they are, and at what price per piece could I obtain them? An early answer would greatly oblige

Yours truly
